3D Printing, Laser Cutting, Vacuum Forming, Scale Appearance Models, Foam Modeling, Woodworking, Fiberglass, and Airbrushing

EXPERIENCE

Mike's Bikes of Palo Alto - Sales Associate

2021 - 2025

- Personally generated over \$500,000 in sales by matching road and mountain riders with the right bikes and peripheral cycling gear
- Translated technical product details into clear recommendations tailored to each customer's riding experience and needs
- Managed inventory shipping and receiving between store locations
- Operated Lightspeed (Point of Sale) and Shipstation (Shipping) software

Avid4 Adventure Day Camp - Mountain Bike Specialist

Summer 2023 and 2024

- Led mountain bike instruction for groups of 16 campers of varying ages and skill levels, covering technical riding, trail skills, and outdoor activities
- Designed and ran activities that built riders' confidence, teamwork, and ability on and off trail
- Adapted technical concepts to each camper's experience level and understanding
- Coordinated with fellow counselors to manage groups and keep camp safe and engaging
- Taught Leave No Trace principles in the context of mountain biking and outdoor recreation
